

MAHDIYA MAZLAN AMEEN

DIPLOMA IN APPLIED AI & ANALYTICS

mahd.maz.08@gmail.com
+65 9467 3203

SUMMARY

Applied AI & Analytics student and NYP scholar with hands-on experience building computer vision, OCR, full-stack and cloud applications. Combines technical development experience with leadership as president of a 40+ member student club and competitive debating experience. Seeking a one-year internship in AI, data or software development.

TECHNICAL SKILLS

Programming & Development	Analytics & Visualisation	Frameworks & Tools
- Python - HTML, CSS, JavaScript - SQL / MySQL	- Power BI - Pandas & NumPy - KNIME Analytics - SAS Viya	- Flask & Jinja - Bootstrap - Git / GitHub - React, Node.js - Supabase / PostgreSQL

EDUCATION

NANYANG POLYTECHNIC Diploma in Applied AI and Analytics Nanyang Polytechnic Lumina Scholar (May 2025–Ongoing) Expected Graduation: May 2028	MADRASAH AL-ARABIAH AL-ISLAMIAH - Attained 9 GCE “O” Level Passes - Graduated with 7 distinctions (January 2021 – November 2024)
---	---

ACHIEVEMENT AND AWARDS

2026 NYP X AWS Hackathon — 2nd Place 2026 NYP Scholarship Award 2025 NYP Scholarship Award 2025 SINDA Excellence Award	2025 Anugerah Mendaki Award 2025 Lembaga Biasiswa Kenangan Maulud Madrasah Award 2025 Muslim Converts Association Singapore Project SEED Award - Runner-Up, Inter-Institutes of Higher Learning Debate 2025
--	---

CERTIFICATION

IBM SkillsBuild Web Development Fundamentals	(June 2025)
IBM SkillsBuild User Experience Design Fundamentals	(June 2025)
Anthropic AI Fluency: Framework and Foundations	(January 2026)
AI Singapore — AI For Industry (AI4I) Literacy in AI	(August 2026)
Basic Proficiency in KNIME Analytics Platform	(August 2026)

NOTABLE PROJECTS

Full Stack Development Project — Estate Management Application

Project selected to be developed with a real client

- Built for a real client on a 5-person team; owned the system's flagship AI feature — a CV pipeline (RF-DETR v2) that auto-detects property defects from images and generates maintenance tickets
- Engineered confidence-based triage for uncertain detections and IoU-based deduplication to prevent duplicate tickets
- Built a second AI feature using OCR to auto-digitize paper forms, and contributed to team-wide architecture and infrastructure decisions

NYP x AWS Hackathon — DeadlineIQ (Assignment Deadline Tracker)

Achieved 2nd Place in my category

- Built DeadlineIQ, a full-stack deadline tracker (React, AWS Lambda, DynamoDB, S3, EventBridge, SNS) covering NL/PDF task entry, milestones, crash-week detection, a study planner, and automated reminders
- Engineered a deterministic five-factor priority algorithm (urgency, stakes, effort, progress, clashes) for explainable task ranking, visualized via a dashboard, heatmap, and Focus Mode
- Used AI (OpenRouter) only for parsing and plain-English narration, with deterministic fallbacks for full offline reliability

Web Development Project — Intergenerational Hub

Outstanding Project — top 4 groups in cohort

- Created an intergenerational hub web platform as part of DellInnovate Fest 2026, focusing on connecting youth and seniors
- Built responsive multi-page layouts using HTML, CSS and JavaScript, ensuring usability on both desktop and mobile
- Collaborated with a small team using Git and GitHub for version control and code reviews

WORK EXPERIENCE

Part-time Teacher @ ILHAM (Islamic Learning Hub And Management)(March 2024–Ongoing)

- Teach Arabic and Religious Studies to students aged 7–11, simplifying complex concepts and adjusting lessons for different learning styles

Private Secondary School Tutor(September 2025–November 2025)

- Tutored Secondary 2 students in English, reinforcing key skills in writing, comprehension and exam preparation

VOLUNTEER AND LEADERSHIP EXPERIENCE

NANYANG POLYTECHNIC CURRENT AFFAIRS AND DEBATE CLUB

President(April 2026–April 2027)

- Managed events with other clubs in NYP
- Formally re-opened the current affairs wing permanently
- Secured coaching for both debate and current affairs — a first for the club

NANYANG POLYTECHNIC LADIES IN TECH CLUB(April 2026–Ongoing)

Subcommittee Member

- Part of the planning committee for an NYP-wide hackathon

NANYANG POLYTECHNIC MUSLIM STUDENTS NETWORK(April 2025–Ongoing)

Subcommittee Member

- Planned and executed events in collaboration with mosques nationwide
- Ran a donation drive in collaboration with MudaSG

HEAD PREFECT — MADRASAH AL-ARABIAH AL-ISLAMIAH(August 2023–August 2024)

- Reinstated Sports Day after 10 years
- Organised and executed more than 5 school-wide events
